I'm curious @RichardGarriott : did you finished your classes at Houston University? With 100k\$ at the bank, I'd be very tempted to quit and focus on making games. Maybe your parents wanted you to get a diploma bc "you never know"? I'm curious :)

En respuesta a @lancelot\_game y @decafjedi

Quit. Focused on games. Received a Doctor of Science degree from Queen Mary University London, for my body of work and lectures. :)
